Graphic Designer

Dear PT. Jaya Kreasi Indonesia,

I am interested in joining your company in Jr. Graphic Designer position. I have completed my study at Bina Nusantara University majoring in DKV Creative Advertising with Bachelor of Arts degree (GPA 3.54), but I haven't held a graduation ceremony yet due to this pandemic. As for my experience in internship programs at Pantarei Communications and PT. Bounce Indonesia with a position as a creative designer in about 1 year.

I also have the ability to operate Adobe Photoshop and Adobe Illustrator, and I really deepen my skills in the fields of layout, creative thinking, and also illustration. I am also a detail, discipline, responsive, and punctual person. I can adjust to the new work environment and the rules that are applied in that environment too. I really believe that the whole combination of experience and education that I have gone through can benefit PT. Jaya Kreasi Indonesia.

It is my hope to be given the opportunity to become a part of PT. Jaya Kreasi Indonesia. I will do my best for the betterment of the company, especially progress in the position that I occupy.

Thank you for your time and consideration.

Sincerely,

Clarisa Febianti Siantan
