# Portfolio

As you've probably noticed, there will be some of my work to describe my journey as a graphic design. So if you're getting click with my work, do not hesitate to contact me through email or other option and let's work together!. Hopefully this portfolio suits your needs .

# CREATIVITY, CONNECTED

Howdy, y'all! My name is Dora Maria and i am a fulltime graphic designer. I got my start as a graphic designer by creating a logo for my friends event. As my friends feedback, I began to learn more about design by taking art major. Today, I am open to all kinds of design work, also i am a fast learner and always looking forward to improve myself.

If you like my work, please reach out by contact me by email or other option. I can't wait to learn about your brand's design needs!
