Subject : Application for Employment

HR Department

PT JAYA KREASI INDONESIA

Based on the job information of the opening site I volunteered to fill the job as suitable staff at the company you lead.

As stated in the CV attached, I experienced in the field of design for more than 10 years in the Information and Design Company based in Indonesia.

I am a hard worker, creative, innovative, be able to work in team, not smoke, and trained to work under pressure. Appendix to CVs, photocopies of related documents, and the latest photos include to be used as material references and consideration.

I realize that the application letter or curriculum vitae could not explain my qualifications in detail. Therefore, I expect an opportunity for an interview then I could explain how the potential of my ability and the service I give would be an valuable asset for your company.

Thank you for taking the time to read my application. I look forward to hearing from you.

Best regards,

Wahyu Supriyanto
