Work experiences

Oct 2013 - Feb 2014 // PT Wahana Ajitama

Working as a junior graphic design who has a daily job setting up artboards and designing which will be ready to be printed by production division.

Mar 2016 - Oct 2016 // PT Mindreach Consulting

Focuses on image editors that can complete 100-300 images per day using Adobe Photoshop.

Mar 2017 - Jan 2019 // PT Danapersadaraya Motor Industri

Work as a graphic design senior who can make big events such as the Jakarta Fair and IMOS (Indonesia Motorcycle Show) and work with a team so they can manage all the visual event needs.

Mar 2019 - Jun 2021 // PT Zommy Media Indonesia & PT Lei Hui Media

Working as a graphic design senior who can meet all client needs (logo, brochures, posters, flyers, website appearance, etc.) as well as being a leader in a graphic design division.

Jun 2021 - Present // PT SMACK MEDIA INDONESIA

Working in the MCN (Multi-Channel Network) industry, I worked from a graphic design individual to working with a team until now I am the leader of the Creation division (videographer, video editor, posting admin, graphic design, video quality control, analyzing video results, & reporting results videos for a week per month and a quarter) and manage live streaming equipment.
